

Mirachem Silicone Antifoam

Data Sheet

[Mirachem® Silicone Antifoam](#) is an additive formulated for use with Mirachem cleaners / degreasers to reduce foaming in parts cleaning tanks. It is best utilized in heated spray cabinet washers and agitating parts washers.

Features & Benefits:

Environmental Safety	Zero VOC, Meets stringent environmental regulations for air quality, such as VOC content and VOHAPS
Worker Safety	Non-flammable, non-fuming, non-caustic, non-corrosive, non-toxic, hydrocarbon and solvent free
Material Compatibility	Safe to use on most surfaces, including aluminum, ferrous metals, plastics and natural & synthetic elastomers
Multipurpose	Performs well in automated spray and agitating parts washing to control foam accumulation

Uses:

- Additive to Mirachem cleaning solutions to help control foam caused by cleaners or soils.
- May be added to the cleaner bath or used in a spray bottle to knock down head foam.
- Use 4oz per 25 gallons of cleaning fluid

Availability:

- 16oz bottle
- Case of 12 bottles

Technical Details:

- VOC
 - Undiluted 0.0 g/l (0.0 lbs./gal.)
- pH
 - Undiluted 6.0 - 8.0
- Flash point Non-flammable
- Shelf life The shelf life of unopened containers is 36 months from the date on the package.
