

Mirachem Floor Cleaner

Data Sheet

[Mirachem® Floor Cleaner](#) is a highly effective, solvent-free chemistry that outperforms other products while providing outstanding value. This ultra concentrated, industrial formula is versatile enough to be used in both mop & bucket and automated floor cleaning equipment applications. Mirachem Floor Cleaner excels at routine floor care & maintenance, and is tough enough to handle heavy duty projects & periodic deep cleaning. Engineered to offer extended product life, this product is suitable for several-day use and is easily recycled for cost saving reuse.

Features & Benefits

Environmental Safety	No VOC; meets stringent environmental regulations for air quality, such as VOHAPS, and wastewater systems, including Total Toxic Organics (TTO).
Cleaning Performance	Industrial formula, easily diluted with water for mop and bucket and automated floor scrubber use for large or small facilities.
Cost Efficiency	Designed to be recycled using Crystal Clean's Aqua Filtration System (AFS) for mop water recycling stations. Ultra concentrated to use less packaging, reduce shipping expense, minimize storage space and reduce carbon footprint.
Material Compatibility	Safe to use on most concrete and painted surfaces, as well as epoxy and polymerized surfaces.
