

Product Information Release

Discontinuation Notice - Mirachem Corrosion Inhibitor Powder

Approved for Release to: All Mirachem customers, sales agents, and team members

For Information Contact: Mirachem Customer Support 800-847-3527 support@mirachem.com

Mirachem is announcing the following product discontinuation:

- **Mirachem Corrosion Inhibitor Powder**, all items and pack sizes, including:

PRODUCT	PART / ITEM #	PACKAGE
Mirachem Corrosion Inhibitor	0101-4000016001	16 oz -Each
Mirachem Corrosion Inhibitor	0101-4000016012	16 oz -12 Count Case

Effective date: **1-May-2020**. The product will continue to be available after this date while supplies last.

Recommended Alternative:

Mirachem recommends the following as a suitable alternative for the discontinued item(s):

PRODUCT	PART / ITEM #	PACKAGE
Mirachem Rust Inhibitor Liquid	0101-2311640001	5 Gal Pail - Each
Mirachem Rust Inhibitor Liquid	0101-2311055001	55 Gal Drum - Each

Mirachem Rust Inhibitor Liquid is an advanced aqueous technology that provides performance and safety improvements over Mirachem Corrosion Inhibitor. While product usage and dilution instructions for the liquid product are different than those of the powder formulation, Rust Inhibitor Liquid should largely be a “drop-in” replacement.

For More Information:

Visit the product page at Mirachem.com/RustInhibitor for product details. For more information or assistance, please contact Mirachem’s Customer Support Desk by calling 800-847-3527, or via email at Support@mirachem.com.
